I was born into an auto racing family, being the daughter of a sprint, midget, and Indy Car driver and traveled throughout the country with my mom and dad, while in elementary and high school. When I graduated from High School I attended Purdue, IU, and IUPUI with a major in Elementary Education. I decided that I wanted to see more of the country, so became a flight attendant for TWA for many years and continued that career after I married an Indy Car driver myself, and had 2 children. Becoming a widow in 1988 with 2 children, I remarried and had another son. I became a stay-at-home mom, and helped my husband with our auto business for 12 years and since he was also a race car driver, did lots of traveling. I had to start over again after a divorce, so tried to think of a career that I could be passionate about and where I could help others.

Real Estate had always been a passion of mine, so I started Real Estate school and became an agent for Carpenter Realtors® in 2003. I never considered any other agency than Carpenter Realtors®, due to their aggressive advertising and strong market dominance. I have always been happy with my choice.

I started off very well as a rookie and became a Multi Million Dollar producer immediately. I was made a Managing Broker of the County Line Rd. office in 2005 and continue to manage that office as well as sell real estate. I have been in the top **50 of 700** agents throughout my career. I have continued to be a Multi-Million Dollar producer since my first year. I love what I do and feel so blessed to help others with such an important part of their life. It is a challenging, but very rewarding career.

I look forward to the opportunity to help you either buy or sell a home. Please give me a call at 317-409-2300 or email me at [shodges@callcarpenter.com](mailto:shodges@callcarpenter.com).
